INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where you were living in 1851 and why were you not enrolled with the Eastern Cherokees at that time?

Where did your parents live at the time of your birth and when did they emigrate from the Old Nation to the West?

Were you and your mother considered old settlers; did either of you ever share in the old settler payments?

Were you ever held as a slave? If so, were you owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Relative to your application for participation in the Eastern Cherokee Fund, you state in your said application that you were born in Polk County, Arkansas in 1851 and that you are a Cherokee Indian by blood through your father, James Young, who you also state was living in 1851.

Why were you not enrolled with the Eastern Cherokees in 1851?

Were your parents old settlers and did you ever share in any old settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office why your father, William Stokes, through whom you claim your Eastern Cherokee blood, was not enrolled with the Eastern Cherokees in 1851.

Do you know why your grandparents were never enrolled with the Eastern Cherokees?

Were you ever held as a slave; if so, were you owned by white people or Indians?

Do you know where your parents lived in 1856?

Did your ancestors ever live in the Eastern Cherokee Nation?

Please give this matter prompt attention and refer in our reply to the number of your application.

Very respectfully,

W.H./T

Walter S. Whitmire being first duly sworn in behalf of Mary Night deposes and says:

I am 57 years of age. I know and knew both of her parents although she was never recognized as Walker Night's child. Walker married her mother and raised Mary and she went by the name of Night. I have heard that Mary's father was a white man but I don't know who he was. Jennie, the mother of Mary, was not born until after 51. Jennie's mother was named Nancy Robbins and she married a man named Daniel Watt. They were both full blood Cherokees. They never drew Old Settler money so I suppose they were Emigrants. Nancy and Daniel Watt weren't married until after the civil war. I think Nancy was enrolled in Going Snake District in 1851 with her half brother Johnson Robbins. Nancy also had a half brother named Stens Thorton and another named Thomas Walkingstick and another named George England. (See G. S. 684.) Mary Night I understand is enrolled by the Daws Commission under the name of Night. Daniel Watts was only the step father of Jennie, her father was Jim Walkingstick. Jim was an Old Settler. Mary has a half sister living near Tahillan named Rosa Night but her married name now is Rosa Thorton.

Paymaster,

Locust Grove, Oklahoma.

Sir:

You state in your application for a right to share in the distribution of the Eastern Cherokee Fund that your father and your mother were enrolled with the Eastern Cherokees in Delaware District Cherokee Nation, in 1851; the names given in your application fail to appear on that roll. Please advise this Office under what name your father was enrolled with the Eastern Cherokees in 1851; was he enrolled with your grandparents at that time or were he and your mother enrolled together? Give the name under which your mother was enrolled.

Were any of your ancestors old settlers or did they ever share in any of the old settler payments?

Please give this matter prompt attention and refer in your reply to the number of your application.

Hair are my full sisters. I am a full-blood Cherokee. My father
and other relative have made application to participate in the Eastern
Cherokee fund. In December, 1906, I was sent to the Federal Prison
and was only recently released-- about two months ago. At the time I
went to prison I didnot know anything about making application
to share in the Eastern Cherokee fund. My brother was in Jail at
Vinita with me before I went to prison and I told him to have my
father make application for me. My father sent word that all that I
would have to do was to sign my name to the roll when I got back and
I supposed that that would be all that I had to do and I never knew
differently until after I got out of prison. I wish the Department
to allow me to make application if it can be done. I am enrolled

App. No. 8872

January 10, 1908.

Margaret Fraley,

Castlewood, Virginia.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Susan Bush, who you state lived in Russell County, Virginia, in 1851.

Where were you born and why were you not enrolled with the Eastern Cherokees in 1835 and in 1857? Why were your mother, Susan Bush, and your grandfather, Austin Bush, not enrolled with the Eastern Cherokees in 1835? Did they ever live with the Cherokees; if so, when did they leave the tribe?

Were you ever held as a slave; if so, were you owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HWM/ML

Special Commissioner.

App. #3872.

August 10, 1907.

Mrs. Margaret Fraley,
Castlewood,
Virginia.

Sir:-

Replying to your letter of August 4, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 32,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Hon. Guion Miller,
Special Commissioner of Court of Claims,

Washington, D.C.

Sir:

Some time ago I sent in my application for a share of the Eastern Emigrant Cherokee fund but up to the present time I have received no answer from you, nor any intimation as to when the payment will be made.

I am a poor old lady and as winter is coming on I need all the money I can gather together to help me pay my living expenses. I have called at the Government offices in Muskogee several times asking them when I could expect my money but they always refer me to you, saying they have nothing more to do with the payment other than to distribute the blanks.

I am very anxious to find out when I can look for my money and would appreciate very much if you would write me a letter telling when I may expect it.

Thanking you in advance for a speedy reply, which I feel sure you will give me, I remain

Very respectfully yours,

Dear sir In close and application of
this I Martin as claimant in the Cherokee
appropriation as an Eastern Cherokee
You will see according to filling out Blank that
my mother was a white woman and all her people
my father's father was a white man but my
father's mother was a Cherokee and was the
Daughter of Charles N. Cox and I do not remember
or can not learn her mother's name but she was an Indian
they were recognized as fullbloods we appeared before
the Cherokee Council in 1887 for admission as citizens
but according to some previous laws of the Council
requiring all citizens to that did not reside in
the Cherokee Nation should appear in person at once
and establish their claim and as we did not or was
not informed of the act we were debarred
the Council admitted that that our evidence
was sufficient but they could not repeal their
laws and admit us our claims are now before the Secretary
awaiting his decision

My name is Nancy G. Seabolt. I am going on 82 years of age. I ~~was~~ was born in Tennessee, and came out here when ten years old. I know Mr. George W. Baldrige. I have known him from a child. He is about 55 years old. I think he was born in this District. He was enrolled by the Dawes Commission, Cherokee Roll No. ~~1891~~. He got the bread and strip payment. He has Cherokee blood. I should say he is not quite half. He was probably not born in 1851. He gets his Cherokee blood from both sides. His mother was Susie Jack. She married Blue Baldrige. She was a Cherokee and was supposed to be an Old Settler. She drew the Old Settler payment. Blue Baldrige was also an Indian. I expect he was enrolled in 1851. (Look on 1851 Roll.) He died after the war. I think he would be older than I am. He was born in Tennessee. He came out here when all the Cherokees emigrated here. About 1837 or 1838. He had one brother named John older than he was. William and Green Baldrige were half-brothers of Blue Baldrige. One was Fox Baldrige, or Tom Fox, as he was sometimes called. (Look on 1835 Roll.) I do not know when they died. Eliza, or Lila, Peggy and Ailsey, were sisters of Blue Baldrige. I do not remember his parents or grandparents. George W. Baldrige has two sisters: ~~Delila~~ Delila Farbro and Eliza Garvin. They are younger. He never joined any other tribe of Indians. I am no relation to Mr. Baldrige. Blue Baldrige's Indian name was Sak-ka-ne-goh. Fox's Indian name was Wa-ge-goo, Squa-da-lich-e. Lila or Lene Ga-yah-hih. Ma-ke

Charley Bearpaw,

Stillwell, Oklahoma.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to where your father was living in 1851; if he was enrolled with the Eastern Cherokees, do not use any name other than those given in your application. Kindly advise me what that name was. Also give the name under which your mother was enrolled. Is she enrolled with the Eastern Cherokees in 1851. Are your father and mother living together at present?

Are any of your people old settlers or did they ever share in any old settler payment?

Will you give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

My name is Howe L. Rogers. My age is 40 years. I was born in Crawford Co., Ark. I have lived here 3 years. Buehla E. Rogers is my daughter. She is 16 years old. She was born in Muldrow in Sequoyah District at that time. She has Cherokee Indian blood. She gets its from her mother. I don't claim my citizenship now as I got knocked out. My daughter is enrolled by the Dawes Commission, Cherokee Roll 8548. She also got the strip payment. Her mother's name was Bessie E. Rodgers; maiden name Bessie E. Woodall. She is dead; would be about 39 years old if living. #3547 Cherokee Roll, Dawes Com. She also got the strip payment. She had one brother. I don't think Charley was old enough to be on the 1851 Roll. Her father's name was Jake Woodall. He died after the war; he lived in Going Snake District. He had two brothers; one lived in Canadian; my daughter's grandmother was married twice. One time to Tom Woodall and the other time to Jake Woodall. Tom was killed in Going Snake District. This all I know about the Woodall side. (236 and 137 G. S.) My wife's ~~mother's~~ mother was Annie Daniels. Ose or O-see Daniels may have been a brother. I think Annie Daniels lived in Tahlequah District. Osceola Daniels I think was his full name. I knew Ose Daniels. (158 Del.) He had a brother named Walker Daniels and one named Dick. They lived in Delaware District. They were sons of Robert Daniels. Their mother's name was Annie. Also there was a brother named John. John was a brother to Robert. There were three girls, but I am not certain of their names, but one was Annie, and one Lizzie; and Frances was a sister of old Annie Daniels, and I think there was one named Susie. They never associated with any other tribe of Indians. This is as far as I can go as to ancestry.

Ann Woodall's father's name was Daniel; I don't know the full name. There were four Woodall boys. Jake was a brother to Tom. Abe was the other brother. They were Abraham, Isaac, Jacob and Tom. Jacob Woodall was the father of Betsey the mother of Beulah Rogers. (234, 235, 236 and 237 G. S. as to Abraham, Isaac, Jacob and Tom. Woodall.) Peggy Woodall was a sister (240 G. S.)

Madam:-

All applications in relation to the judgment of the Court of Claims in favor of the Eastern Cherokees are now being taken up for final consideration. If you desire your claim to receive further attention, it will be necessary that you answer each of the following questions at the very earliest possible date. If you cannot answer any given question, so state, that we may know it has not escaped your notice.

1. As near as possible, name the county and state where each ancestor who was descended from Indians, was born and raised, and if they resided in more than one place, so designate, also state when they resided in each.
2. How are you recognized at the present time in the community in which you live? That is, are you considered white, colored or Indian? If colored, were you or any of your ancestors ever held as slaves?
3. Did you or any of your ancestors ever reside with any tribe of Indians as recognized members of the tribe? (If you answer "Yes" to Question 3, give the name of each ancestor who lived with the Indians, state when and where they lived with them, and give the name of the tribe).

App. No. 8892

January 10, 1908.

Malinda Stenfield,

Sasser, Georgia.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Reuben Hambro, who you also state was a quarter blood Cherokee; why was he never enrolled with the Eastern Cherokees? There was no listing in 1842 and in 1851?

Why were you not enrolled with the Eastern Cherokees in 1851?

Was your mother a white woman, an Indian, or a negro? If negro, was she ever held as a slave? Or, was she ever held as a slave; if so, were you owned by white people or Indians?

Please state in simplest words your position and refer in your reply to the above questions.

Very respectfully,

Very
truly
yours

Special Commissioner.

Commissioner - Indian

Albany

Washington D.C.

Dear Sir -

The Applicant in
this instance, I trust, is
as well known to me -

Mr. H. H. Hicks was
a student in our families -
and his relations as such -
to the instance of his
being admitted to our
schools, and his
being a student of the
University of the South
is well known to me -

and trying to get O'Flaherty
with him. He was over-
tired - and the child
sitting left - or sold
in a moment. This is
an old time tradition
considered true -
and by his grandfather
carried him across
on his back - the
absent house of his
mother - I
remember -
his mother - I
remember - was in
the house - then, last
time - his absence of
time - a very old man.
Has been a faithful
slave - a good man.
Living with me now
25 years of his life
as a man - but

1000
- surely well treated. He is
taciturn, silent -
subdued - but with-
the Indian manner -
which some say makes
respect. He has a large
family - who are all
honest and industrious.

If by this application
you can see that he
is entitled to any claim
it will be a blessing
indeed to his last days
not to die in poverty
and want - as they say
all come from - As he
may at least read and
write. I am, I think,
I attend to the business for
him. As to the favorable
bonds &c I remain, I hope,
F. B. Johnson

Sir:-

Replying to your letter of September 2, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state, at the present time, whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

App. No. 8897

January 10, 1908.

Frederick Sykes,

Muskogee, Oklahoma.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, you state through your mother, Caroline Sykes, who you claim was enrolled with the Eastern Cherokee in 1861. You also state that Lucina Bonds is your grandmother on your father's side. Her name appears on the Eastern Cherokee Roll of 1861; also the names of several of her sons and daughters, but the name of your mother fails to appear, either as Caroline Bonds or as Caroline Sykes. It will be impossible to enroll you with the Eastern Cherokees without a complete explanation as to why your mother was not enrolled in 1861. Was she living at that time? Was she married? If so, was she living with her husband? In what district did she live? Give the name used by her when enrolled in 1861.

Please see this matter through to the end in your reply to the number of your application.

Very respectfully,

H. W. H.

Beckville Texas 1/6/07,
Dear Mr. J. H. C. C. C.

Dear Sir

Your Application is received
and in reply to your inquiry I will
state that my only son J. D. Allen
is not living. He died in 1871
and I did not think it would
be just and fair for me
his father to apply for whatever claim
he might have been entitled to if
he had lived. If you see it would
be proper and fair for his father
to do it I will send up the application
I do not want to do anything to
be in the way.

Very respectfully,
J. H. C. C. C.

Yours truly,
J. H. C. C. C.
